Subject: EPA Site Visit

---

Hi Helen,

Thank you for attending the public meeting yesterday. I think things went well, but we have many lessons learned to address for the next one.

You mentioned that a date of 23 June (?) had been proposed by EPA. I checked with Eric and he did not have any email about this. Can you send me the email Julie Wroble sent and let her know to coordinate with me on this.

With respect to an EPA site visit, as I mentioned previously, it is okay for us to have a site visit with EPA, but we cannot have a follow-on meeting to discuss the FFA at this point in time. I will check on everyone's schedules for potential dates, including 23 June, and get back to you.

Thanks,  
Chris
